

NEBRASKA DANCE 2023.24 CREW

1

MISSION

Crew is a non-competitive performance program that offers dancers (K-12th grade) the opportunity to explore their love for dance, work as a team, and gain additional performance experience. Instructional focus is on individual development in quality of movement, coordination, musicality, and on group execution. This program can also be an avenue for dancers to determine if pursuing additional dance opportunities will be part of their dance journey. No auditions required.

2

Dances & Events

Each Crew class will learn and work to master one dance routine to be performed at all ND events.

In-studio performances are the Halloween, Holiday, and Spring Performance Weeks where Crew performs alongside our ND recreational classes. New this year, Crew will have a group "Pep Rally" to kick off the performance season in late winter for family and friends to enjoy!

Stage performances for Crew dances are ND's Winter Showcase, Benefit Concert, and Dance Concert.

Mini Crew • K-1st grade

Mini Crew is a great introduction to additional performance opportunities, as young dancers experience the stage multiple times throughout the year. Dancers grow in confidence and stage presence, and are often exposed to slightly more complex choreography to challenge their coordination and skill.

Enrollment requirements include one Mini Crew Jazz class (45 minutes per week) as well as one ND class of your choice (45 minutes per week).

Tuition for the minimum enrollment requirement (90 minutes/week) is \$100-\$110 per month, September through May. Dancers are welcome to register for as many ND classes as desired, with additional tuition rates to apply.

CREW JAZZ (90 MINUTES)

Dancers learn and refine their jazz piece, develop technique (turns, leaps, kicks, etc.), increase flexibility, improve movement quality and more in this extended class, while enjoying team-building exercises and building self-awareness. Crew Jazz will challenge group and individual development, as well as foster a culture of team-work and social growth.

All ND dancers are welcome, but this well-loved Crew class is highly recommended for dancers who are interested in pursuing a competitive program in the future.

CREW HIP HOP (45 MINUTES)
