DANCE WITH US AT NEBRASKA DANCE

We believe each of our students are uniquely designed with a purpose; it is with them in mind that we desire to create programs each with their own mission and purpose. We whole-heartedly believe it is an honor and responsibility for you to trust your dancer and their dance journey in our care. We strive to create the best possible experience for our dancers in each of our unique programs. At Nebraska Dance, we believe a strong community helps us to reach our goals.
