

WINTER SESSION

January 19th - February 28th

Peanut Classes (18 months- 2 years)

| Day & Time | Class | Location | Teacher | Cost | Class Description |
|--------------------------|--------------------|----------|------------|-------|--|
| Monday 5:00-5:45pm | My Little One & Me | Central | Miss Rylee | \$120 | Adult and child participate together in this class designed to introduce the world of dance and creative movement in the studio setting. Parachutes, stuffed animals, ribbons and more allow your child's creative mind to come alive! |
| Wednesday 4:15-5:00pm | Creative Movement | Central | ND Staff | \$120 | Creative Movement class is for older 2 year olds or young 3 year old students. This class serves as a transition between MLOM and our Tiny age classes. Since it can take time for students this age to feel comfortable taking class independently, parents are welcomed and encouraged to stay with their child as they're learning to be comfortable in this new dance environment. As the session progresses, we will slowly aim to have parents outside of the classroom. |
